BRONZE CORYDORAS

PEPPERED CORYDORAS

CARDINAL TETRA

LEMON TETRA

# ORNAMENTAL FISH

# AQUATIC TURTLES & TROPICAL AMPHIBIANS

## GOOD TO KNOW

A PLASTIC heater is highly recommended because turtles are bigger animals than fish and they have hard shells that can break the glass tube of an ordinary aquarium heater. If that happens, your turtles will probably be electrocuted and die.

YELLOW BILLIED SLIDER

RIVER COOTER

FROGS
